Wood, Rich
To: CDS - Non Production Environments-Core

Thank you Krishna,

I have signed in to the Clone Environment Workstation and am now able to connect to my URL's of Matillion and Azure Portal from my Clone Workstation. My issues have been resolved.

It was a pleasure working with you on this issue.

Thanks,

Richard Wood

17th October 2023	Cole M Taylor	Krishna Yada	CDS Feedback - Krishna Yada Taylor,Cole M To: CDS-Non-Production-Environments-Core Hi 10/17/2023 9:36 PM Good morning – I wanted to send an email over to provide great user feedback with a ticket that I worked on with Krishna Yada. Krishna took the appropriate steps to make sure my issue that I was experiencing in the UAT environment was resolved fully and was extremely engaged throughout the process. I was very pleased with the experience and turnaround time that Krishna provided. Thank you!
18th October 2023	Uthi,Erin L	Krishna Yada	feedback for Krishna Yada RITM0609210 Uthi,Erin L To: CDS-Non-Production-Environments-Core Hi 10/18/2023 10:53 AM I'd like to extend my sincere thanks for the Krishna Yada for his timely and effective assistance provided in resolving my recent issue within our non-production environment RITM0609210. I was unable to get the clone terminal to work properly. His responsiveness, technical expertise, and collaborative approach were instrumental in identifying the root cause and implementing a solution that restored functionality. I truly appreciate the clarity in communication and the proactive follow-up throughout the resolution process. Thanks again for your support! Erin Uthi Product Owner

Hi Team,

I want to sincerely thank your teammate, Krishna, for the exceptional support I have consistently received. Krishna's quick response and efficient resolution of the slowness issue I encountered were truly remarkable.

@Yada,Krishna's promptness and expertise in addressing the problems have significantly minimized drastic slowness and ensured smooth deliverables. I deeply appreciate the efforts taken to resolve the issues swiftly and effectively, along with the consistent and supportive quick responses.

Thank you for your immediate action and continued support!

Regards,

Edward Jones SharePoint

	18 Mar 2026	Gad W Habbashmer	Ashish Vig
	Kudos for Ashish Vig Habbashmer.Gad.W ● Ashish Vig Co Vp.Ashish, London,Ten To Patrick, It's nice to give a well-deserved shout-out to Ashish Vig. He consistently helps me with quick requests and always goes above and beyond exceptional powers, clarity, and professional. Ashish takes the time to explain things clearly and ensures I have everything I need to move forward. In this fast-paced Jones environment—where we all seem to have more to do than time to do it—his personal touch, empathy, and consciousness stand out. Having things done right the first time, along with his willingness to help me better understand my own requirements so I can do better customer service, is truly refreshing. Keep it up, Ashish! Thank you for all you do.

	From: G N Samreen [mailto:gns@edwardjones.com] Sent: Thursday, April 2, 2026 10:27 PM To: CDS Non-Production-Environments Core [CDS.Non-Production-Environments.Core@edwardjones.com] Cc: Yeha Andrew Krishna [YehaAndrew.Krishna@edwardjones.com] Subject: Thanks for your timely support Krishna! Hi Team, We recently encountered a critical issue where our clone machines were not functioning as expected, which posed a significant risk to our ongoing tasks and timelines. We raised 2 support tickets to address the problem and get back on track. Krishna stepped in promptly and quickly grasped the root cause of the issue and provided us with clear resolution. We truly appreciate Krishna's responsiveness in supporting us with access to the clone machines and we are grateful for his assistance. Thanks, Samreen.
